WHISTLE-BLOWER POLICY

1. OBJECTIVES OF THE POLICY

- 1.1 Motherson Group is committed to adhering to the highest standards of ethical, moral and legal conduct of business operations. To maintain these standards, Motherson Group Companies encourage their employees, who have concerns about suspected misconduct, to come forward and express their concerns without fear of punishment or unfair treatment.
- 1.2 This policy (this “**Policy**”) therefore aims to provide an avenue for employees to raise their concerns on any violation of legal or regulatory requirements or unethical behaviour, actual or suspected fraud (including but not limited to the acts set out in Annexure 1) (hereinafter “**Unethical and Improper Practices**”).
- 1.3 The objectives of this Policy are:
- a) to create a window for any person who observes an Unethical and Improper Practice, either organisationally or individually to be able to raise it;
 - b) to encourage timely, safe and open reporting of alleged wrongdoings or suspected impropriety;
 - c) to ensure consistent and timely institutional response;
 - d) to ensure appropriate reporting of whistle-blower investigations;
 - e) to encourage ethical and lawful conduct; and
 - f) to provide adequate safeguards against victimisation of persons.
- 1.4 This Policy is binding on all Motherson Group Companies and must be adopted by the board of directors of each Motherson Group Company. In addition, each Motherson Group Company may maintain its own additional rules and practices which are more stringent in terms of the applicable laws in the country in which they are incorporated.

2. SCOPE OF THE POLICY

- 2.1 This Policy defines and lays down the process for raising a 'Complaint', the safeguards in place for the person raising a Complaint, the roles and

responsibilities of all stakeholders and also sets the timelines for all processes to be followed. In all instances, the relevant Motherson Group Company shall retain the prerogative to determine when circumstances warrant an investigation and the appropriate investigative process to be employed, in conformity with this Policy and applicable laws.

- 2.2 Complaints related only to Unethical and Improper Practices will be dealt with under this Policy. Any complaints related to human resource issues or issues related to sexual harassment will be dealt with under their respective policies.

3. APPLICABILITY OF THE POLICY

- 3.1 This Policy shall cover all directors, employees, third-party vendors, contractors, consultants and customers throughout the world, operating out of any location of Motherson Group Companies and any other persons having an association with the relevant Motherson Group Company.

4. DEFINITIONS

- 4.1 Capitalised terms used in this Policy (unless defined elsewhere) shall have the meaning as ascribed hereunder:

 - d) “**Disciplinary Action**” means any action which can be taken on the completion of/during the investigation proceedings including but not limited to a warning, imposition of fine (where permitted by law), demotion, suspension or termination from official duties or any such action as is deemed fit considering the gravity of the matter.

- e) “**Disclosure**” means any communication made in good faith by the Employee that discloses or demonstrates information that may indicate evidence towards Unethical and Improper Practices.
- f) “**Policy**” means this policy as per the meaning ascribed to it in paragraph 1.2;
- g) “Motherson Group **Companies**” means all the companies forming part of the Motherson Group and the term Motherson Group Company shall be construed accordingly;
- h) “**Ombudsman**” means any agency/individual/department appointed to independently carry out an initial investigation of the Complaints;
- i) “**Whistle-blower**” means a person or entity making a disclosure of any actual or suspected unethical and improper practice that they have observed. Whistle-blowers could be directors, employee’s contractors, contractor’s employees, clients, vendors, internal or external auditors of Motherson Group Companies, law enforcement/regulatory agencies or other third parties.
- j) “**Whistle-blower Committee**” means the Whistle-blower Committee constituted by the board of directors of the respective Motherson Group Company in accordance with applicable local laws to review the investigation report and decide necessary action on Complaints.

5. REPORTING A COMPLAINT

- 5.1 Reports of allegations of suspected Unethical and Improper Practice are encouraged to be made in writing so as to assure a clear understanding of the issues. Such reports should be factual rather than speculative and must contain as much specific information as possible to allow for proper assessment of the nature, extent and urgency of preliminary investigative procedures. The Whistle-blower needs not to prove the concern but must demonstrate sufficient grounds for raising the concern. The disclosure can also be made anonymously, but it will be the decision of the Ombudsman to further act upon an anonymous Complaint or not, depending upon the disclosure so made.

5.2 The relevant details for making a Complaint and the process flow of complaints is set out in Annexure – 2.

6. CONSTITUTION OF THE WHISTLE-BLOWER COMMITTEE/AUDIT COMMITTEE

6.1 Each Motherson Group Company shall constitute the Whistle-blower Committee if required under the applicable laws of the country in which such Motherson Group Company is incorporated.

6.2 In the absence of the requirement to constitute a Whistle-blower Committee, such a role will be assumed by the Audit Committee (if any). For Motherson Group Companies, which do not have the requirement to constitute a Whistle-blower Committee or Audit Committee as per the applicable law, the role will be assumed by the board of directors of such Motherson Group Company.

6.3 The Audit Committee or Whistle-blower Committee in each Motherson Group Company will consist of a Chairman and members having cross functional representation. Audit Committee, Whistle-blower Committee or the board of directors of the relevant Motherson Group Company (as the case may be) are being referred to as “**Committee**” in this Policy.

7. FRIVOLOUS COMPLAINTS

7.1 In case of the Committee of the respective Motherson Group Company reaching a conclusion that the Complaint has been made with *malafide* intentions and is a false accusation or is an abuse of process or the complaints are repeatedly frivolous, then the Committee may recommend appropriate action to be taken against the person making the disclosure. Having said that each Motherson Group Company clearly understands that some disclosures may not result in any investigation or action at a later stage even though they are made in good faith. In such circumstances, no action would be initiated against the Whistle-blower. It is also clarified that this process should not be used as a grievance redressal mechanism or to settle personal problems or issues.

8. ACCESS TO THE CHAIRMAN OF THE WHISTLE-BLOWER COMMITTEE/AUDIT COMMITTEE OR THE BOARD

8.1 The Whistle-blower shall have direct access to the Chairman of the Audit Committee (in companies where Audit Committee exists) or Chairman of the Whistle-blower Committee (where Whistle-blower Committee exists) or the chairman of the board of directors in appropriate or exceptional cases. Appropriate or exceptional cases shall be such cases that require adequate safeguards against victimisation of employees and directors. The Chairman of the Audit Committee or Whistle-blower committee or the board of directors may prescribe suitable directions in this regard for the appropriate and exceptional cases.
